

Blooms Races

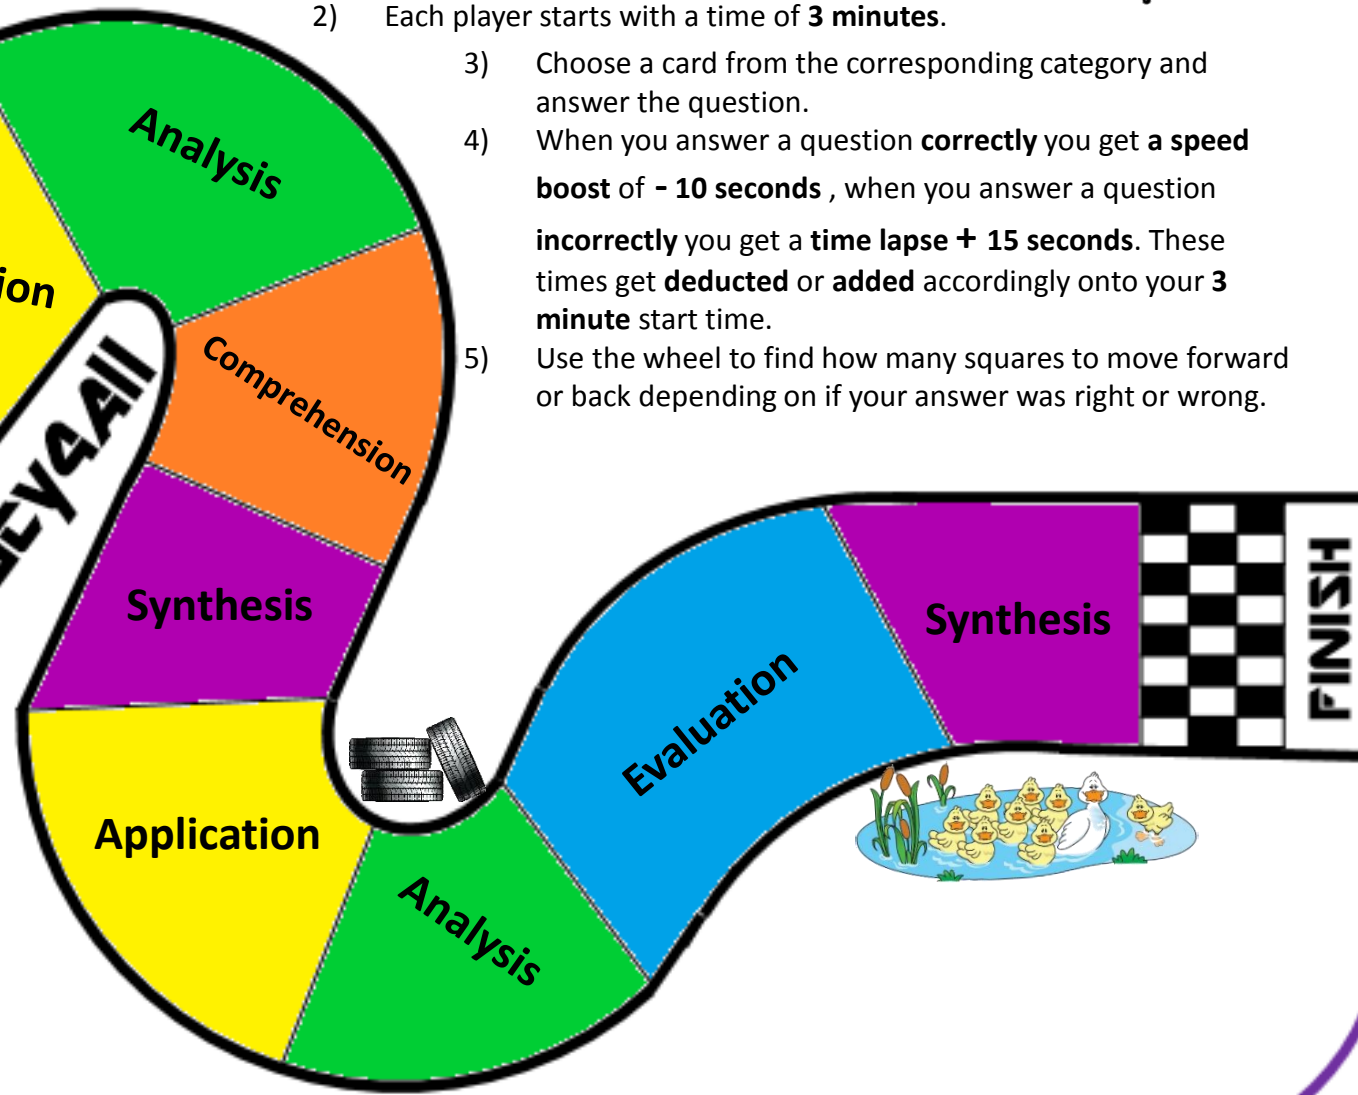

Instructions

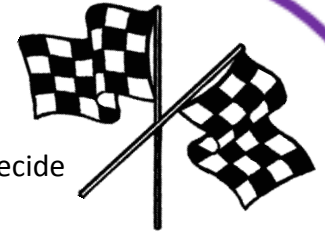

- 1) Select a counter and place it at the start and decide who is going first.
- 2) Each player starts with a time of **3 minutes**.
- 3) Choose a card from the corresponding category and answer the question.
- 4) When you answer a question **correctly** you get a **speed boost** of - 10 seconds , when you answer a question **incorrectly** you get a **time lapse** + 15 seconds. These times get **deducted** or **added** accordingly onto your 3 minute start time.
- 5) Use the wheel to find how many squares to move forward or back depending on if your answer was right or wrong.
